We were so saddened to hear of Amy's passing. During the summers, Keith and I would head to Amy's house to share vegetables from our garden. Even in her latter years she still loved canning green beans. Keith had known Amy for years when I had the privilege of meeting her for the first time. Amy was always the same, loving and kind, and tickled to see us both. From the beginning, she made me feel welcome and I felt right at home with her. Her love for the Lord was apparent in everything she did and said. We will miss you, dear Amy, and look forward to the day we will be home together with the Lord! Dearest Mary and Sandy and family, we will be praying for you during this time of loss. Keith and Cathy Puckett

Family I was so shocked to hear of Amy's passing. She was one of a kind but knew she loved her family. Last time I saw her she just held my hand and you just knew without words what was in her heart. Love. She will surely be missed but we have so many memories of our family's together nearly every Sunday having snakes or supper at the Kincaid home. I can honestly say 2 people I admired as Christians it would be Amy and Phifer Kincaid. Hugs and so much love going out to the family.
