To my loving sister, I am so grateful for having had you in my life. You had the responsibility of caring for all of your siblings. You actually had to do this at such a young age. I am so appreciative of the sacrifices you made for me. Now you are with the Lord, and no longer in pain. I miss you and love you much. Wish I could be there for your services, but at this time circumstances won't allow it. Aloha 'oe and ahui hou . your Brada Mike

Aloha to you and your mom, your grand folks
