My condolences to all . I worked with Ms. Cora at Premiere 30 yrs ago. Probably one of the hardest working women I've ever met. Always an inspiration . Sorry for your loss !!

–Kim

David and Family: I met Cora when I started delivering Meals on Wheels. She was the greatest example of a Christian woman. She always had a sweet smile every morning I went to her home. She never complained about anything. She always told me we were to take what God gave us whether it be rain or sunshine as we needed both. When it was pretty weather she would most likely be found sitting on her back porch. Sometimes her brother Eddie would be there with her. I loved talking with her about a lot people we both new. She always had her Bible and Sunday School book laying on her kitchen table where she would read them each day and applied what she read to her daily life. She loved her Sunday School class. I sure missed her when she left her home to live at a Group Home. But, I know it was the best thing for her where she would get help with her daily living and it was good for her to be with other people I know she was a blessing the all of the people there. David, I will keep you and your family in my prayers. But, we all know where Cora is now; with her Lord and Savior as that was her goal in her life. Sorry, I was sick and not able to attend her Memorial Service.
