My brother was my whole world, he was my Best Friend, I cherished every moment that I spent with him, when we were younger, he was a trouble maker, lol, his teachers didn't like him very much, only because he was mischievous, and got into trouble alot, but when he got older, he joined the Army, for 8 and a half years, it changed him completely! There is a lot more that I can tell you about him, but you will have to ask me, if you want to, my email address is debihatadis64@gmail.com, thank you for being his friend!!
