I've just hear about Jason, or as I called him, Mr. Morris. We worked at Foothills for 2 decades, and together on a few occasions. Jason was an authentic person, trusted for an honest opinion and counted on by us all. I would see or talk with him over the years and am just floored by this. Rest in peace Mr. Morris and prayers for faith, peace and strength for your friends and family.

I never had the honor of meeting you. But, I know your son and have forged one of those rare, unshakable friendships with him. If your son is any reflection of the man you were....well that's a thing of beauty! Because your son, Logan Morris is a wonderful human being. He's the kind of man you can lean on in times like this, he's the kind of man that can keep you laughing for years to come, and he's the kind of man that you're proud to call a Best Friend. Stay blessed as you enter those pearly gates and I promise we'll look after your boy, Logan.
