We only met a few times but you could feel the love he had for his family. A kind and down to earth type of person who was quiet but slipped in a joke every now and then. Please take care and reach out, we're here if ever needed.

We were in junior high band together. Always a nice guy.

Patti and family. I am so sorry to hear of the passing of John. We were friends and Classmates in high school graduating 1975 PGHS. He was such a calm and funny guy who I will always remember. Thinking of you and family during the days ahead. Prayers to all that knew John. RIP

–Jessie Carmichael

This is very sad news. John was invaluable to the Defense Department's development and maturation to cyber intelligence and was a good friend. I was able to speak with John one last time days before his passing. He was our colleague & friend. Patti and his family have my deepest sympathy. (Defense Intelligence Agency)

I will always remember the vacations we had either at Rome, NY, Saratoga Springs, NY, Tennessee, Hopewell, Virginia, Prince George, Va. All the Weddings that happened in Hopewell. Our family's were very close. The 2 reunions in Nags Head, North Carolina. We are double 1st cousins and I want to say we had a lot of fun in our younger days. You will truly be missed and I want to say that I love you. I know you are with your Saviour now. You are with your Dad who was there welcoming home with his open arms along with both Sets of Grandparents, My Mom and Dad. You are having another Family reunion. Save some spot for me. Again, you will be missed greatly but you will be in my heart always.
