Josh, you and Sarah are in my prayers! Your sweet momma loved you and Sarah and was so Proud of you both! Lisa and I had so many fun times together, from High School, working at Ingles grocery store when we were youngins and then connecting again and meeting once a week and eating together, usually at Timber Wood and going to Zumba at the Recreation Center. Your sweet momma had the best, sweetest smile in the whole world!

Lisa was a true gem! She and I never worked in the same office but we supported and called each other for help back in the good ol' days of the OB/GYN world. Of friendship bloomed from there and has lasted throughout the last 30 years! She was the sweetest soul and always so loving and kind. I will miss seeing her everyday as we leave our offices. It's not goodbye...just a see you later! Prayers for Josh and her family in the days ahead.

Lisa was that "first friend cousin". and I miss her so much already. It didn't matter that we lived in different states, we wrote letters and mailed them like kids text each other today and when we were lucky enough to call "long distance" we could get some much said in the "allowed" 5 minutes. The summers I spend in Morganton are best childhood memories and that is mostly due to time spent

with family. Josh, your mother was an amazing woman, I know she was so proud of you and will continue to watch over you - she is only just a memory away.

Lisa and I had lunch together Friday. We hugged and laughed together before parting. I thank God for that and will always remember that blessed time together. I first met Lisa July of 1988 when we both went to work for Dr Hamer. Lisa was always good and true friend. I love her smile and kindness (she even bought my lunch on Friday). I miss Lisa already as I know her family does. I wish there was some way to help ease the pain of your loss. Josh your mother was truly a number one person kind, trustworthy and fun. I thank God Lisa was part of my life. She is gone too soon. May God bless and keep her and also Josh and family. I love you Lisa, Kathie Gene Hord
