I have so many precious memories of Milrose. Anytime I was down, Milrose would lift me up. My heart breaks for her passing, but thankful you were in my lift for so many years. My fondest memory was at a Henredon Christmas Party. About 11:30 Milrose come through the room telling everyone goodbye, saying she was on her way to the dam. Before she got out the door one of her good friends stopped her to have their last dance for the night. Here Milrose come back dancing across the room to hit the dance floor as if she was just getting there to begin the party. She was truly the life of the parties anywhere she was. Love you Milrose & hope to see you again some day.

Sending love and prayers to Mildred's family. She was such a special lady. I had the privilege of visiting with Mildred at many of the White Family Reunions. She and my Mamaw (Lily Mae (White) Greene) were good friends. Although we were not related, Mildred always felt like one of the family. I have no doubt she is resting with Jesus today. Bless you all, Liz Clarke

Mildred and I had a beautiful friendship and I loved her so much! She would tell me and others that she didn't know why, but when we first met each other at St Paul's we immediately formed a lifelong friendship bond. She will be greatly missed by me and so many that loved her as well. I thank God for bringing her into my life.
