I am very saddened to learn of the death of cousin Oscar. He has been an inspiration in my life for over 50 years. Here was a man experiencing great difficulties in life as a result of his time in service of our country, yet he used his time to make everyone else's life a little less difficult. In time, In time I came to realize that our talks during my teenage years were actually mentoring sessions, when Oscar would share his stories, experiences, and lent advise. It was his advice about the military that I carried with me throughout my time in service. Although we didn't see much of each other since my leaving Morganton so many years ago, Oscar has always been in my heart. I'll always remember Oscar as the dear sweet person that did not let his disabilities get in the way of his desire to help others. Diann/Ritchett, with all my love! Louis
