My condolences on the loss of Tim, to Joy and his family. I have known Tim since childhood. I remember that he could fix just about anything and he loved to work on cars. He would help you if he could and had a wonderful sense of humor. Joy, I'm deeply sorry for the loss of your beloved husband.. You complemented each other like no other couple I know. May your precious memories bring you comfort. Words of sympathy feel inadequate in expressing grief and sorrow for a loss so great. Sending a warm embrace and all my love during this sad time. It's so sad to lose my brother and hope his wife Joy can deal with her grief and that her children will help her. My brother was a man who liked to make others laugh. Plus liked to help others when he could.
