I am honored to say Wanda has been a friend for all our life. She had a big heart for others. I feel losing Melanie broke her heart. She never got over the lose of her. Wanda and I grew up together and had great times together. I have always loved her and her family just like they were my own.

Mae took us to school and back everyday. We would never have been able to have wonderful childhood memories without her. She was good to all Wanda's friends and all that knew her.
